

**ADDENDUM #1
TO SPEC. 04-073
THE ANNUAL REQUIREMENTS
FOR
INSURED VISION PLAN SERVICES**

Addendum #1 to Spec. 04-073 for Insured Vision Plan Services for the City of Lincoln/County of Lancaster, bids to be opened on Wednesday, March 31, 2004 at 12:00 noon.

The following questions have been asked:

1. **Would City of Lincoln/County of Lancaster request a formal Geo Access report? If so will zip code census be sent electronically?**

Answer - No & No

2. **On page 2, #8 Joint and Separate Proposals, 8.1**

Can you please clarify the following?

- **Does the request for joint proposals intend to mean one contract will be held for either entities or that there would be two contracts still?**

Answer -Two contracts

- **If separate contracts would be held but a joint proposal (with respect to rates and plan design) is provided, is the vision carrier able to acknowledge that renewals would be handled separately based on each contracts utilization and applicable renewal date? What would be the preference regarding renewals under this scenario?**

Answer - We prefer similar contracts with similar renewal options.

3. Exhibit A City of Lincoln/Lancaster County Current Vision Plan Services

- **Can it be confirmed that there is no material copay on glasses?**

Answer - There is no copay on materials except for specialized products or services.

- **With respect to Progressives covered in network, can it be clarified that this includes all Progressives on the market to date?**

Answer - This includes all standard progressive lenses.

- **Currently is there any benefits provided for all other lens options?**

Answer - There are discounts for other products or services.

- **Is the allowance for Conventional and Disposable contact lenses applied towards a contact lens fitting and evaluation professional fee?**

Answer - No

- **What currently does the exam cover in detail? Refraction, dilation, etc.**

Answer - It does not include dilation.

- **Are contacts in lieu of glasses?**

Answer - Yes

All other terms and conditions to remain unchanged.

Dated this 23rd day of March, 2004.
